

Everytime I Close My Eyes

Babyface

Girl it's been a long, long time comin', yes it has
But I, I know that it's been worth the wait, yeah
It feels like springtime in winter
It feels like Christmas in June
It feels like heaven has opened up
It's gates for me and you Every time I close my eyes
I thank the Lord that I've got you
And you've got me too
And every time I think of it
I pinch myself 'cause I don't believe it's true
That someone like you loves me too Girl I think that you're truly somethin'
Yes you are, yes
And you're, you're every bit
Of a dream come true, yes you are yes With you baby, it never rains and it's no wonder
The sun always shines when I'm near you
It's just a blessing that I have found somebody like you Every time I close my eyes
I thank the Lord that I've got you
And you've got me too
And every time I think of it
I pinch myself 'cause I don't believe it's true
That someone like you loves me too To think of all the nights I've cried myself to sleep
You really ought to know how much you mean to me
It's only right, it's only right
That you be in my life right here with me
Oh baby, baby, yeah I'll tell you girl that
Every time I close my eyes
I thank the Lord that I've got you
And you've got me too
And every time I think of it
I pinch myself 'cause I don't believe it's true
That someone like you loves me too Loves me too
