You Should Try Livin' Too

Rebeka Rain

See the lights are fadin, out here on the open road
The rain it keeps on falling, forgotten which directions home
Another night they dream of kisses by the door
Another smile we gave them, got them needing more

You wonder if Iâ€™ll call, You wonder if Iâ€™ll fall
I donâ€™t think Iâ€˜m comin home

Coz Iâ€™m laughing and weâ€™re singing
And weâ€™re dancing and weâ€™re livin
You should try livin too
You should try livin too

Boots they keep aâ€™roaming, gone about a year it seems
Christmas came from nowhere, followed all our dreams
Another town we walked through, sleepin where we can
Another joy we left them, a promise and a plan

You wonder if Iâ€™ll call, You wonder if Iâ€™ll fall
I donâ€™t think I â€˜m comin home

Coz Iâ€™m laughing, weâ€™re singing
And weâ€™re dancing and weâ€™re livin
You should try livin too
You should try laughing, singing
And weâ€™re dancing and weâ€™re livin
You should try livin too
You should try livin too

Weâ€™re singing
And weâ€™re dancing and weâ€™re livin
You should try livin too

laughing and weâ€™re singing
And weâ€™re dancing and weâ€™re livin
You should try livin too
You should try livin too
