## **After Tonight**

## **Clarence Williams**

There's something in your eyes Is everything alright? You look up to the sky You long for something more Darling, give me your right hand I think I understand Follow me and you will never have to wish again I know that after tonight You don't have to look up at the stars No, no, no, no I know by the end of tonight You don't have to look up at the stars And I know if the love is alright You don't have to look up at the stars No, no, no, no I know by the end of tonight You don't have to look up at the stars No, no, no, no, no, no, no, no Tell me how you feel And if I'm getting near I'll tell you where to stay You'll tell me where to steer D-d-darling, way above the clouds And high above the stars Through the unknown black holes No one knows where we are But we'll return to earth and do it all over again 'Cause I know that after tonight You don't have to look up at the stars No, no, no, no I know by the end of tonight You don't have to look up at the stars And I know if the love is alright You don't have to look up at the stars No, no, no, no I know by the end of tonight You don't have to look up at the stars Come away with me Come fly away with me

Just for one night, no one will ever know
No, no
Darling, I will leave you satisfied
Forever, past time

You don't have to hide

You're free to fly I know that after tonight

You don't have to look up at the stars

No, no, no, no

I know by the end of tonight

You don't have to look up at the stars

And I know if the love is alright

You don't have to look up at the stars

No, no, no, no

I know by the end of tonight

You don't have to look up at the stars

And I know that after tonight

You don't have to look up at the stars

No, no, no, no

I know by the end of tonight

You don't have to look up at the stars

And I know if the love is alright

You don't have to look up at the stars

No, no, no, no

I know by the end of tonight

You'll be looking down upon them from heaven, yeah

Oh no no oh na na na na na na

Yeah yeah ooh na na na na
