

Show Me

Neil Young

Do you see people being led by the righteous hand,
Taking care of everyone like they're on a piece of land.Show me.

Show me.

Show me.

Show me.Do you see people's lives being lost on the sacred land,
and the battle over water being fought for the baby's hand.Show me.

Show me.

Show me.

Show me.When the women of the world are free to stand up for themselves,
and the promises made stop gathering dust on the shelf.Show me.

Show me.

Show me.

Show me.Well I hear you out there when you say what you have to say.

I know how you feel 'cus that's what made me this way.

When heaven on earth is improved by the hand of man,
and people everywhere get together and join their hands.Show me.

Show me.

Show me.

Show me.Show me.

Show me.
