

You Belong To Me

Tank

Who's gonna love you like me
I put in the time
I just did it right, yeah
Who's gonna love you like me
I turned on the light show
I just let you shine, yeah I don't wanna look away
We done made some big moves
G-wagon and a Wraith
Bel-Air mansion coming soon
I been down to put the paper down
For anything a lady wanna do
I could let you walk on air but
'dat ain't really what a nigga gon' do
Oh, that ain't what a nigga gon' do
Hooo
'Cuz I believe
You belong to me
Ooh
You belong to me
Ooh
You belong to me
Ooh
You belong to me
Ahhooo
That's right I claim you
I'll wife you; rename you
How long it's gon' take you
To see
You belong to me
Ooh
You belong to me
Ahhooo
Nobody else; I ride for mine
Nobody else; I'll die for mine
Nobody else; can come on in
I'ma do what I did
When I play
I betta win I don't wanna look away
We done made some big moves

G-wagon and a Wraith
Bel-Air mansion coming soon
I been down to put the paper down
For anything a lady wanna do
I could let you walk on air but
'dat ain't really what a nigga gon' do
Oh, that ain't what a nigga gon' do
Hooo'Cuz I believe
You belong to me
Ooh
You belong to me
Ooh
You belong to me
Ooh
You belong to me
Ahhooo
That's right I claim you
I'll wife you; rename you
How long it's gon' take you
To see
You belong to me
Ooh
You belong to me
AhhoooYou belong to me
You belong
