

# Use Somebody (feat. Hannah Trigwell)

## Boyce Avenue

I've been roaming around  
always looking down and all I see  
Painted faces fill the places I can't reach  
You know that I could use somebody  
You know that I could use somebody Someone like you  
and all you know and how you speak  
Countless lovers  
undercover of the street  
You know that I could use somebody  
You know that I could use somebody  
Someone like you  
Someone like you Off in the night while you live it up  
I'm off to sleep  
Waging wars to shake the poet and the beat I hope it's gonna make you notice  
I hope it's gonna make you notice Someone like me  
Someone like me  
Someone like me, somebody I'm ready now  
I'm ready now  
I'm ready now I'm ready now  
I'm ready now  
I'm ready now  
I'm ready now  
I'm ready now  
I've been roaming around  
always looking down and all I see  
Painted faces fill the places I can't reach  
You know that I could use somebody  
You know that I could use somebody
