

Rising Sun

Covenant

My eyes grow darker
Can barely see your face
Yesterday I tried to belong
You know I won't stay that long
In a time of lust and liars
I learned to trust my own desires
Touch me, don't be ashamed
I just don't know how to play that game
In pride and grace, we rise with the sun
With the morning light, we just run and run
The good old days, that imaginary place
With the rising sun, we forget and we embrace
My eyes grow darker, guide me now
Can barely see your face, just lead the way
My eyes grow darker, guide me now
Can barely see your face, just lead the way
My days grow longer
Can barely find my trace
One more day I try to be strong
You know I won't last that long
For a time I feed the fires
I search and seek while time expires
Hold me, I'm so afraid
I just don't know how to keep this flame
In pride and grace, we rise with the sun
With the morning light, we just run and run
The good old days, that imaginary place
With the rising sun, we forget and we embrace
My eyes grow darker, guide me now
Can barely see your face, just lead the way
My eyes grow darker, guide me now
Can barely see your face, just lead the way
My eyes grow darker, guide me now
Can barely see your face, just lead the way
My eyes grow darker, guide me now
Can barely see your face, just lead the way
