

The Climb

[Joe McElderry](#)

I can almost see it, that dream I'm dreaming
But there's a voice inside my head saying you'll never reach it
Every step I'm taking, every move I make feels
Lost with no direction, my faith is shaken But I, I gotta keep trying
Gotta keep my head held high There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be an uphill battle
Sometimes I'm gonna to have to lose Ain't about how fast I get there
Ain't about what's waiting on the other side
It's the climb The struggles I'm facing, the chances I'm taking
Sometimes might knock me down but no, I'm not breaking
I may not know it, but these are the moments
That I'm going to remember most, yeah, just gotta keep going And I, I gotta be strong
Just keep pushing on 'cause There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be an uphill battle
Sometimes I'm gonna to have to lose Ain't about how fast I get there
Ain't about what's waiting on the other side
It's the climb, yeah, yeah There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be an uphill battle
Sometimes I'm gonna to have to lose There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be an uphill battle
Sometimes I'm gonna to have to lose Ain't about how fast I get there
Ain't about what's waiting on the other side
It's the climb There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be an uphill battle
Sometimes I'm gonna to have to lose Ain't about how fast I get there
Ain't about what's waiting on the other side
It's the climb
