The Climb

Joe McElderry

I can almost see it, that dream I'm dreaming But there's a voice inside my head saying you'll never reach it Every step I'm taking, every move I make feels Lost with no direction, my faith is shakenBut I, I gotta keep trying Gotta keep my head held highThere's always gonna be another mountain I'm always gonna wanna make it move Always gonna be an uphill battle Sometimes I'm gonna to have to loseAin't about how fast I get there Ain't about what's waiting on the other side It's the climbThe struggles I'm facing, the chances I'm taking Sometimes might knock me down but no, I'm not breaking I may not know it, but these are the moments That I'm going to remember most, yeah, just gotta keep goingAnd I, I gotta be strong Just keep pushing on 'causeThere's always gonna be another mountain I'm always gonna wanna make it move Always gonna be an uphill battle Sometimes I'm gonna to have to loseAin't about how fast I get there Ain't about what's waiting on the other side It's the climb, yeah, yeahThere's always gonna be another mountain I'm always gonna wanna make it move Always gonna be an uphill battle Sometimes I'm gonna to have to loseThere's always gonna be another mountain I'm always gonna wanna make it move Always gonna be an uphill battle Sometimes I'm gonna to have to loseAin't about how fast I get there Ain't about what's waiting on the other side It's the climbThere's always gonna be another mountain I'm always gonna wanna make it move Always gonna be an uphill battle Sometimes I'm gonna to have to loseAin't about how fast I get there Ain't about what's waiting on the other side
