

# (Don't Fight It) Feel It

[Sam Cooke](#)

Feel it, feel it  
Feel it, feel it Baby when the band is playing  
Oh and that solid beat  
Oh, make you wanna move, make you wanna groove  
Make you wanna pat your feet  
Don't fight it, don't fight it, feel it No, now when we dance close together  
With your cheek close to mine  
And you begin to feel a funny little thrill  
Moving up your spine  
Don't fight it, don't fight it, feel it Oh now, baby when the swinging music  
Oh, makes you wanna flip  
Oh, don't be in pain, trying to restrain  
Go ahead and move your hips Oh, baby when you're dancing near me  
And I feel I wanna tease  
Oh and when I do, the feeling gets you When you feel you wanna squeeze  
Don't fight it, don't fight it, just  
Feel it, feel it, feel it Oh now, baby  
When the swinging music  
Oh, make you wanna flip  
Oh, don't be in pain, trying to restrain  
Go ahead, shake them hips Oh, baby when you're dancing near me  
And I feel I wanna tease  
Oh and when I do, the feeling gets you When you feel you wanna squeeze  
Don't fight it, don't fight it, just  
Feel it, feel it, feel it
