

You Don't Know

B.B. King

You don't know how much I love you
You don't know how much I care
You don't know how much I need you
Without you, life I can't bear You don't know
You don't know, baby
You don't know how much I love you
And you can't know just how I feel The flame is still burnin'
Burnin' deep down in my soul
When I think of your love and kisses
It makes my blood run cold You don't know, baby
You don't know, baby
Yes you don't know how much I love you
And you can't know just how I feel All my friends call me crazy
For acting the way that I do
But I just can't help myself
'Cause I'm so in love with you You don't know
Yes baby, you don't know
You don't know how much I love you
And you can't know just how I feel You don't know
You don't know
You don't know, baby
You don't know
You don't know
You don't know, baby
You don't know Yes you don't know how much I love you
And you can't know just how I feel
