Icebound Stream

Laura Veirs

Watch I can flash across the sky
A lightning bolt from up on high
And I can crash into myselfNow a flower blooms in reverse
And a song takes back a verse
A photograph fades to whiteAnd I can hold a thunderhead in my heart
And in my bed I can dream a winter's gale
And wake up drenched a stormy pale, a stormy paleA battered heath on the shore
Will make her keep and wait for more
But underneath her icebound stream
The water pours, the water pours
