

Mad Donna

T. Rex

I'm a foxy man, don't you understand,
Would take a rocket ship, to let me get my thighs on you.
I'm gonna change Mad Donna, I'm gonna change Mad Donna,
I'm gonna change Mad Donna, for you. In a coach of blue I'm gonna love you too,
Like the gods of old, I'm gonna get my teeth into you.
I'm gonna change Mad Donna, I'm gonna change Mad Donna,
I'm gonna change Mad Donna for you.
I'm gonna change. I'm a foxy man, don't you understand,
Like the gods of old, I'm gonna get my mouth on you.
I'm gonna change Mad Donna, I'm gonna change Mad Donna,
I'm gonna change Mad Donna for you, I'm gonna change Mad Donna, I'm gonna change Mad Donna,
I'm gonna change Mad Donna for you,
I'm gonna change Mad Donna, I'm gonna change Mad Donna,
I'm gonna change Mad Donna for you.
