Don't Cry Sister

Eric Clapton

Don't cry sister cry, it'll be alright in the morning
Don't cry sister cry, everything'll be just fine
Don't cry sister cry, it'll be alright, i tell you no lie
Don't cry sister cry, don't do it, don't do itWhen old man trouble knocks on your door
Don't give him no key, he just wants more
He'll turn your life to misery
Kick you down, just like meDon't cry sister cry, it'll be alright, it'll be alright
Don't cry sister cry, everything'll be just fineWoke downhearted and you feel so bad
Somebody wants something of nothing you had
Love don't come too easy, you see
A little bit of you and a little bit of meDon't cry sister cry, it'll be alright, it'll be alright
Don't cry sister cry, everything'll be just fine
Everything'll be just fine
Everything'll be just fineDon't cry sister cry, don't do it, don't do it
Don't cry sister cry, don't do it, don't do it
