

# Christmas Without You

El Debarge

Frost on the window,  
In front the cold  
Warmth by the fire feels so good to be home!  
The time is near and I've been counting the days  
What more can I say?  
The house is filled with ribbons and bows  
Silver bells stockings over floors  
Decorating the Christmas tree  
Wishing you were here with me!

I'm listening to carols  
And hope  
Kissing you under the mistletoe  
All the is fine like snow  
But it will be Christmas without you  
It won't be the same this Christmas!  
Just won't be the same!

Feels like I'm leaving and make plan B  
Pretending that you're right next to me  
I'm holding onto these memories  
Wishing you were here with me!

I'm listening to carols  
And hope  
Kissing you under the mistletoe  
All the is fine like snow  
But it will be Christmas without you  
It won't be the same this Christmas!  
Just won't be the same!

If I if I could only have one wish  
You'd be the wish on my list  
Cause you're the most precious gift  
Baby to me!

I'm listening to carols  
And hope  
Kissing you under the mistletoe  
All the is fine like snow

But it will be Christmas without you  
It won't be the same this Christmas!  
If you're not here!  
It won't be Christmas without you here!  
Just won't be Christmas if you're not here this year!
