That Man

Caro Emerald

I'm in a little bit of trouble And I'm in real deep From the beginning to the end He was no more than a friend to me The thought is makin' me hazy I think I better sit down 'Cause like the sweetest serenade Bet he knows he's got it made with me Twisting round on a carousel This speeds' too much to stop One second I'm thinkin' I'm feeling the lust And then I feel a lot Ooh, that man is like a flame And ooh that man plays me like a game My only sin is I can't win Ooh, I wanna love that man Ooh, that man is on my list And ooh that man I wanna kiss My only sin is I can't win Ooh, I wanna love that man Now it's like I'm on a mission Headed everywhere And if it takes a little long And it feels a little wrong, who cares? My baby fits the description And does it easily A little Gable, some Astaire When he dances I can hardly breathe Someone call a doctor Need some help to rescue me One second I'm thinkin' I must be lost And he keeps on findin' me Ooh, that man is like a flame And ooh that man plays me like a game My only sin is I can't win Ooh, I wanna love that man Ooh, that man is on my list And ooh that man I wanna kiss

My only sin is I can't win Ooh, I wanna love that man Pa da pip pab pa da pa Dib e dib da pa da pa Ba da da pip pab pa da da Da ba dub dib dib pu du pa Bu du dib dub dib da do to do Dub e dub do wo do do do Pib pab pa da tow Du da tu da dow Dub dub dub udu dub dow Ooh, I'm gonna find that man Dub du dub dub du du dub You bet ya, I'm gonna find that man Dub dub dub dub du Eeh, I'm gonna find that man Dub dub dub du dubu I'm gonna find that I'm gonna find that man, mmm Pa da dub dub dub to to I'm gonna find that man (Ooh, that man is like a flame) (And ooh, that man plays me like a game) (My only sin is I can't win) Ooh, I wanna love that man Ooh, that man is on my list And ooh that man I wanna kiss My only sin is I can't win
