Before You Were Born

Toad The Wet Sprocket

How can it happen that every time
You ask us this question the answer seems like a lie
You know what we're saying and you know what it means
And it's always sincere god knows
But it never gets through to where you needBefore you were born someone kicked in the door
There's no place for you here, stay back where you belong
Before you were born someone kicked in the door
You are not wanted here, stay back where you belongGod damn the people who left you in pain
God damn the father without face, without name
And god damn the lovers who never showed up
And god damn the wounds that show how deep a word can cutBefore you were born someone kicked in the door
There's no place for you here, stay back where you belong
Before you were born someone kicked in the door
You are not wanted here, stay back where you belong
