

# When a Heart Is Broken

Lemar

She wants to love him, ready to give him everything  
to be there when he calls...yeah  
He wants to live life see the whole world...  
love dont come easy at all...

See i've been here with u before  
and i know how it is when they walk out that door..

When a heart is broken u feel like given up  
living life a prisoner convicted of love  
when u know its over  
its like a shot in the heart  
trying to find yo way back to the start  
when a heart is broken...

He wouldn't let her hold him back  
so he set off on his way  
but she hoped he would find the joy he was searching for...yeah  
she stayed and she cried a while then decided to move on  
coz she knew in life she deserved much more....

Only time time can heal her pain  
and hope she wont make those mistakes again....

When a heart is broken u feel like given up  
living life a prisoner convicted of love  
when u know its over  
its like a shot in the heart  
trying to find yo way back to the start  
when a heart is broken....

We all have our separate needs  
our separate walks from life  
but if u love somebody  
then u gotta compromise  
try to work it out  
find a way to make things right  
if u don't wanna lose her love  
if u don't want a broken heart

when a heart is broken u feel like giving up  
living life a prisoner convicted of love  
when u know its over  
its like a shot in the heart  
trying to find yo way back to the start  
when a heart is broken
