The Effort

Beat Connection

She took me in
Fall again
She shut me out
And I just don't get it
Why you wanna treat me?
Treat me, falling out and I just dont get it
Falling out
...
You could leave your past in the trunkyard
You know I will be there for you, you, yeah
I could tell you mine in the backyard
Would you be there for me, if I let you?
She took me in
Fall again
She shut me out
And I just don't get it
Why you wanna treat me?
Treat me, falling out and I just dont get it
Falling out
Don't think I'll be there in time ...
You could leave your past in the trunkyard
You know I'll be there for you, you, yeah
I could tell you mine in the backyard
Would you be there for me, if I let you?
You could leave your past in the trunkyard
You know I'll be there for you, you, yeah
I could tell you mine in the backyard
Would you be there for me, if I let you?
You could leave your past in the trunkyard
You know I'll be there for you, you, yeah
I could tell you mine in the backyard
Would you be there for me, if I let you?
...
She took me in
Fall again
She shut me out
And I just don't get it
Why you wanna treat me?
Falling out

...
She took me in
Fall again
She shut me out
And I just don't get it
Why you wanna treat me like that?
Why you wanna treat me like that?
Makes me wanna get her right back
You right back
