Young Love

The Outfield

Young love, bigger than anything
You're waitin' for a girl to ring
Talkin' 'bout young loveAnd I don't want anyone else to call your name
And I don't think anyone else could feel the sameI can't stop thinkin' about
The way she's holding it out
Talkin' 'bout young loveYoung love, bigger than everything
Shines like a diamond ring
Talkin' 'bout young loveAnd I don't think anyone else could understand
And I don't want anyone else to be your manI can't stop thinkin' about
The way she's [Incomprehensible] it out
Talkin' 'bout young loveAnd I don't want anyone else to call your name
And I don't think anyone else could feel the sameYoung love, bigger than everything
Waitin' for the bells to ring
Talkin' 'bout young loveNa na na na
Na na na na na
Young loveNa na na na
Na na na na na
Young loveNa na na na
Na na na na na
Young loveNa na na na
Na na na na na
Young loveYoung love
Young loveNa na na na
Na na na na na
Young loveNa na na na
Na na na na na
Young loveNa na na na
Na na na na na
