Heated Swimming Pool

Joyce Manor

Don't you remember how the change is?
It's not as easy as the same is
I wish you would have died in high school
So you could be somebody's idolBut you were clever
Always forever in command
It's my house my rules my
Heated swimming poolAnd I don't even have to wait for
You to open up their cages
Cause I can see them in the Ivy
And I can tell that they don't like meBut "never better" read the
Letters on your hands
As you lay next to me by the
Heated swimming pool
