Prodigy Lover

Weezer

Something is different
Something has changed
You write me your letters
They're not the sameProdigy lover, playin' the keyboards
Drawing that music from meUncomprehending
I'm stupefied
'cause I wrote the rule book, you can't abideOver and over
Checking the airwaves
Drawing that music from meYou say
"Ok,
We'll both become the kings of money."Over and over
Checking the airwaves
Drawing that music from meYou say
"Ok,
We'll both become the kings of money."Uncomprehending
I'm stupefied
'cause I wrote the rule book
You can't abideI wrote the rulebook, you can't abide
I wrote the rulebook, you can't abide(oh no) I'm stupefied [x4]
