

# Love, Love, Love

James Blunt

I'm not looking for us  
and neither should you.  
Absolutely gorgeous,  
then nothing I say is true.  
You won't find yourself  
in these guilty eyes'cause I love anybody who's fool enough to believe  
And you're just one of many who broke their heart on me  
And so I say I don't love you,  
though it kills me  
It's a lie that sets you free.Love, love, love  
I can't take your  
Love, love, loveAnd so I say I don't love you,  
though it kills me  
It's a lie that sets you free.I will wrap my body  
in other women's arms.  
Make love in a hurry,  
feel better than I am.  
Hope you find yourself  
in someone else's eyes'cause I love anybody who's fool enough to believe  
And you're just one of many who broke their heart on me  
And so I say I don't love you,  
though it kills me  
It's a lie that sets you free.Love, love, love  
I can't take your  
Love, love, loveAnd so I say I don't love you'cause I love anybody who's fool enough to believe (Love, love,  
love)  
And you're just one of many who broke their heart on me (Love, love, love)  
And so I say I don't love you, (Love, love, love)  
though it kills me  
'cause it's a lie'cause I love anybody who's fool enough to believe (Love, love, love)  
And you're just one of many who broke their heart on me (Love, love, love)  
And so I say I don't love you, (Love, love, love)  
though it kills me  
It's a lie that sets you free.
