Here for a Good Time

George Strait & Sheryl Crow

I'm not gonna lay around and whine and moan
'cause somebody done, done me wrong
Don't think for a minute that I'm gonna sit around
And sing some old sad song
I believe it's half full, not a half empty glass
Every day I wake up knowing it could be my lastI ain't here for a long time
I'm here for a good time
So bring on the sunshine
To hell with the red wine
Pour me some moonshine
When I'm gone, put it in stone
He left nothing behind
I ain't here for a long time
I'm here for a good time
Folks are always dreamin' bout
What they'd like to do
But I like to do just what I like
I'll take the chance, dance the dance
It might be wrong but then again it might be right
There's no way of knowing what tomorrow brings
Life's too short to waste it
I say bring on anything
I ain't here for a long time
I'm here for a good time
So bring on the sunshine
To hell with the red wine
Pour me some moonshine
When I'm gone, put it in stone
He left nothing behind
I ain't here for a long time
I'm here for a good timeI ain't here for a long time
I'm here for a good time
