We Are the Foolish

General Fiasco

Tell you it's a god send
These pleasure painted walls you're kept in
You better wake up wake up [Hey]
There's things you need to know

Tell you that your mind's made
So go on and be safe
You better wake up wake up [Hey]
There's things you need to know

Don't let go yet (we are the foolish) (Don't let on)
Cast off the fallen (we are the foolish) (don't let on)

Although these eyes are wide they're not awake
and though these hands aren't tied
They just can't take what's thrown about
what's thrown about this place

Tell you it's a god send
These pleasure painted walls you're kept in
You better wake up wake up [Hey]
There's things you need to know

Don't let go yet (we are the foolish)(don't let on)
Cast off the fallen (we are the foolish)(don't let on)
The things that are holding you down are holding me down
(we are the foolish) (don't let on) But i don't want to talk about it

Let's get a rise let's start complaining
cause it's taking miles and
and it's taking over taking over
They're too old and far too cunning
but the young are bold it's all they
got it's all they got
Now wait around and hold back moving cause
they all know they're trapped regardless
And they'll get told and we'll get told

and they'll get told and you'l get told

Don't let go yet (we are the foolish) (Don't let on)
Cast off the fallen (we are the foolish) (don't let on
The things that are holding you down are holding me down
(we are the foolish)(don't let on) But I don't want to talk about it
