If You Let Me (feat. Ya Boy M)

Maeli

[Verse 1]
I know that youve been through a lot
So many have broken your heart
You got me here knockin and knockin on your door
But you are scared to give me loving no more
You give me no chance no chance for me to love you
No chance no chance for me to hug you
I know your feeling very doubtful for me to hold you close so im hoping you can understand me

[Pre chorus]
I know we have an understanding
And i promise my lovin will do no damage
You need give a chance to love
So u can know just how to love
And i know its hard to do
But you gotta let it go girl
So take a listen to this song
And baby tell me if its wrong
For me to feel this way about your heart

[Chorus]
Girl ill never leave you alone
Let me take you off of the counter
And ill fly you around california
If u let me in
Girl ill treat you right girl i promise
And ill never do any doubtments
If u let me in

[Verse 2]
Let me in, let me in, let me in, let me be the only one to love you
Let me in, let me be the one to hold you tight in the middle of the night
Never letting go, never letting go of your lovin
I wont break your heart girl i promise
And i will give you the rest of me

[Pre chorus]
I know we have an understanding
And i promise my lovin will do no damage
You need give a chance to love

So u can know just how to love
And i know its hard to do
But you gotta let it go girl
So take a listen to this song
And baby tell me if its wrong
For me to feel this way about your heart
Girl i wont leave you alone

[chorus]
Let me take you off of the counter
And ill fly you around california
If u let me in
Girl ill treat you right girl i promise
And ill never do any doubtments
If u let me in
