

L'amour

Gigi D'Agostino

I still believe in your eyes
I just don't care what
You've done in your lifeBaby, I'll always be here by your side
Don't leave me waiting too long
Please come byI, I, I, I still believe in your eyes
There is no choice
I belong to your lifeBecause I, I need to love you some day
You'll be my baby
And we'll fly your wayAnd I'll fly with you
I'll fly with you
I'll fly with youYou are, are, are, are, are, are
You are, are, are, are, are, are
You are, are, are, are, are, areEvery day and every night
I always dream that
You are by my sideOh baby, every day and every night
Will I celebrate?
Thing's gonna be all rightAnd I'll fly with you
I'll fly with you
I'll fly with youYou are, are, are, are, are, are
You are, are, are, are, are, areDream of meI still believe in your eyes
I just don't care what
You've done in your lifeBaby, I'll always be here by your side
Don't leave me waiting too long
Please come byI, I, I, I still believe in your eyes
There is no choice
I belong to your lifeBecause I, I need to love you some day
You'll be my baby
And we'll fly your wayAnd I'll fly with you
I'll fly with you
I'll fly with youEvery day and every night
I always dream that
You are by my sideOh baby, every day and every night
Will I celebrate?
Thing's gonna be all rightAnd I'll fly with you
I'll fly with you
I'll fly with youYou are, are, are, are, are, are
You are, are, are, are, are, are
