

94 Weeks (metal Mouth Freak)

Emma Roberts

My life is over, at least for 94 weeks
I look like some metal mouth freak
 And that's a long time
 I wanna go to the party
 But I don't wanna be seen
 I wish it was Halloween
 And I could wear a mask
Woe is me, life will have to wait
 Until my teeth are straight
 And that's a long time
Can't you see life will have to wait
 Until again I'm looking great
 And that's a long time
 That's a long time
Life is over, at least for 600 days
 By then you'll be far away
 And you'll like another
 Then I see you standing there
 You make me wanna smile
 But if I open my lips too wide
 Would you still want me?
Woe is me, life will have to wait
 Until my teeth are straight
 And that's a long time
Can't you see life will have to wait
 Until again I'm looking great
 And that's a long time
That's a long time, that's a long time
 Life's not over
 I was stupid and scared
 Worrying about who cared
 That I have braces
Now I see, life won't have to wait
 I won't hesitate, it's a good time
Can't you see life is full of surprise
You can't let it pass you by, it's a good time
 Yeah, it's a good time
