

Bigelow 6-200

Brenda Lee

Here's the number to call if you want my lovin'
Number to call if you want turtle love
Number I'll be waitin' all night long
Just a waitin' for you to phone Bigelow 6-200 What's the matter, what's the matter why don't you call
Don't ya love your little baby no more at all?
A waitin' her baby not doin' a thing
A waitin' for the doggone phone to ring Bigelow 6-200 Well, baby dial my number, you said you would phone
I'm so broken hearted, please don't wait too long Oh well, I'm sorry pretty baby that we had a fight
And you left me the other night
Well if the phone don't ring in a minute or two
I think pretty baby that I'll call you Bigelow 6-200 Well, baby dial my number, you said you would phone
I'm so broken hearted, please don't wait too long
I'm sorry pretty baby that we had a fight
And you left me the other night
Well if the phone don't ring in a minute or two
I think pretty baby that I'll call you Bigelow 6-200
