[Emika](#)

Something's wrong with me  
Mild depression  
Babe I wanna leave  
Something's wrong with me.  
Without expression

Babe I wanna leave  
Something's wrong with me.  
Without expression  
Without expression

Something's wrong with me  
Mild depression  
Babe I wanna leave  
Something's wrong with me.  
Without expression
