

Thug Passion

Red Cafe

Cashflow on the beat
Shakedown
YeahI got money, and hoes
Money and hoes
Screw by the gallon
Loud by the O's
Birds by the flock
They don't do no flying
They just good for pitching, y'all remember Nolan Ryan?
Wheels on dubs
Limousine tinted
Riding dirty on the interstate, stash box sitting
And my down bitch love it
Thug passion
True Religion, Loco, thug fashion
My block jumping, flipping, Olympian
Everything straight, brown hair - Indian
Hold up
Welcome to the future
Where them bitches getting naked cause them diamonds looking fuchsia
I got a hundred in my pocket, finna make another hundred
Gave a pack to my little homie, told him "run it"
If a nigga grind all winter, checking numbers
Then we can boss up all summer
Nigga, that's thug passion
Dirty money in the couch
Picking up stacks how a nigga work out
Thug passion
You know I stay strapped
Fucking on a dime and you know she fucking back
That's thug passion
Thug passion
Thug passion
Nigga, that's thug passion
Thug passion
Thug passion
Look, I'm living sucker free
Motherfucking G
Met a bitch selling pussy

But she fucked me for free
They call me a don
I've got to agree
I'm a get-money pro
I've got the degree
My hustle game wicked
Ante up the digits
My life is a movie
You should buy a ticket
Took shorty to Ruth's Chris
Got her an entrÃ©e
Now that girl dancing like BeyoncÃ©
She attracted to the thug passion
Pulling double shifts, nigga, long lasting
I'm a soldier, east side soldier
Look how much a nigga hitting hoes, Sammy Sosa
Hello
CafÃ©, what's your order?
Make it quick, a nigga busy, got another caller
Never been a sucker
Never been broke
Never gave a fuck, real niggas make a toast
Nigga, that's thug passion
Dirty money in the couch
Picking up stacks how a nigga work out
Thug passion
You know I stay strapped
Fucking on a dime and you know she fucking back
That's thug passion
Thug passion
Thug passion
Nigga, that's thug passion
Thug passion
Thug passion
That money got my name on it
That money got my name on it
I've got to get it
That money got my name on it
That money got my name on it
And I'mma get it
That money got my name on it
That money got my name on it
I've got to get it
That money got my name on it
That money got my name on it
Nigga, that's thug passion
Dirty money in the couch
Picking up stacks how a nigga work out

Thug passion
You know I stay strapped
Fucking on a dime and you know she fucking back
That's thug passion
Thug passion
Thug passion
Nigga, that's thug passion
Thug passion
Thug passion
