Dilettante

St. Vincent

Oh Elijah, don't make me wait
Nobody's winning
The sharks are swimming in the redOh Elijah, don't make me wait
While you are sleeping
My mind goes creaking down the hallSlow down, dilettante
So I can limp beside you
And follow in your house tooHang on, street savant
My bank in my back pocket
How far you think it'll take us?You're like a party I heard through a wall
I'm always watching you through a keyhole
Let's not forget, let's not forget
Let's not forget, why we crawled hereOh Elijah, don't make me wait
I got no patience for an estrangement, anywayWake up, avenue C
Your hometown is still sleepingYou're like a party I heard through a wall
Invite me
But I'm always watching you through a keyhole
Let's not forget, let's not forget
Let's not forget, where we crawled fromOh Elijah, don't make me wait
What is so pressing
You can't undress me anyway
