Dilettante

St. Vincent

Oh Elijah, don't make me wait Nobody's winning The sharks are swimming in the redOh Elijah, don't make me wait While you are sleeping My mind goes creaking down the hallSlow down, dilettante So I can limp beside you And follow in your house too Hang on, street savant My bank in my back pocket How far you think it'll take us? You're like a party I heard through a wall I'm always watching you through a keyhole Let's not forget, let's not forget Let's not forget, why we crawled hereOh Elijah, don't make me wait I got no patience for an estrangement, anywayWake up, avenue C Your hometown is still sleeping You're like a party I heard through a wall Invite me But I'm always watching you through a keyhole Let's not forget, let's not forget

Let's not forget, let's not forget

Let's not forget, let's not forget

Let's not forget, where we crawled fromOh Elijah, don't make me wait

What is so pressing

You can't undress me anyway
