Don't Be Part Of It

Howard Jones

Save
Save
Save from the butchers knife
Save from the experimentsChorus
Don't be part of it
Don't be part of the killing
Don't be part of it
Don't be part of the killingSave from the furriers track
Save from extinctionShare a right to lifeAs long as there are slaughter houses
There will be battle fields
As long as animals die in testing
We won't find humanity
Save
Save from the factory farms
Save from the crueltyAs long as there are slaughter houses
There will be battle fields
As long as animals die in testing
We won't find humanitySave
Don't be part of it
Save
Don't be part of the killing
Save
