

Midnight Sun

Sigh

I've seen the midnight sun before I was born

Born of fire

I've seen the midnight sun, once death on the land forlorn

Forlorn in desire

I've seen the midnight sun, a shapeless unborn torn by a liar

I've seen the midnight sun, poisoned by its thorn it'll take my higher
Burn the midnight sun, so far away

Burn the midnight sun, from day to day
I've seen the midnight sun, pleasure to be done

Known in their tongue

I've seen the midnight sun a song to be sung

Sun in their tongue
