

# Easy

## Dragonette

You love me like a bull in a china shop  
Why do I stay if one day you'll break my heart  
Ooh it's easy, hard as it looks

Ask me how I never get with other guys  
Other guys with nicer rides and better style  
Ooh easy, hard as it looks

I could be a-doin' all of this on my own  
And thinkin' for myself, I'd be the only one  
It's easy, hard as it looks

Why'm I waiting up for you late at night  
Comin' in from someplace when it's almost light  
'Cause it's easy, hard as it looks

And I'ma stick it out until it's time to go  
Am I getting sick of this? Oh no no  
No it's never hard as it looks

Yeah I could be a-doin' all of this on my own  
Thinkin' for myself, I'd be the only one  
And it's easy, hard as it looks.

Yeah I could find someone who'd never make me blue  
'Cause nobody could ever tear me up like you  
And it's easy, hard as it looks

But you could break it  
If you let time wear away it  
So don't mistake it  
For something that you're free to play with

Cause you could break it  
If you let time wear away it  
So don't mistake it  
For something that you're free to play with

I could be a-doin' all of this on my own  
Thinkin' for myself, I'd be the only one

Yeah I could find someone who'd never make me blue  
'Cause nobody could ever tear me up like you

Yeah I could be a-doin' all of this on my own  
Thinkin' for myself, I'd be the only one  
And I could find someone who'd never make me blue  
'Cause nobody could ever tear me up like you

And it's easy, hard as it looks  
And it's easy, hard as it looks
