

# School Uniforms

## The Wombats

it all started on a school bus,  
you were nine and i was ten remember you had a walk-man  
all i had was a

oh sweet louise!  
whatever happened to her?

then it awl went down hillll  
yoo grew tallll i stayd tha saam  
i guess that thats just puberty,  
making us boys always play a losing gaaaaame

oh sweet louise  
whateva hapened to her?

i always fownd it ard to werk things throoooo  
those skool unifoams made a jok, made a jok of mee and yooo  
i'm glad i'm not back in school

she got an older boy frined  
(background = how could she?)  
she made a cake and licked a trend  
i don't evin no tha lokashon off th bike sheeeeeed

oh sweet louise  
whateva hapened to her?

i always fownd it ard tooo werk things throooooooo  
those skool uniforms made a jok, made a jok of mee and yoooo

[illegible]

I reememba short skerts long hare homicide evree ware  
I reememba short skerts long hare homicide evree ware  
I reememba short skerts long hare homicide evree ware  
I reememba short skerts long hare homicide evree ware

i always fownd it ard tooo werk things throoooo  
those skool uniforms made a jok, made a jok of mee and yooo  
x2

i'm glad im not bac in skool
