I'm Leaving You

Spain

Made up
My mind
Tonight I'm leaving youNo love
To find
Tonight I'm leaving youNothing to say
Nothing left you can doTonight I'm leaving youDon't need
Your lies
Tonight, tonight I'm throughDon't want
Goodbyes
Tonight, tonight I'm throughYou can hold on
You can, it's up to youTonight I'm leaving you
Tonight I'm leaving you
