Antonio

Daze

Ooh ooh aah Antonio
How will you remember me
Was it just a one night stand of joy
I believe were meant to be.
Ooh ooh aah Antonio
Ooh ooh aah Antonio
{Chorus]
Ooh ooh aah Antonio
How will you remember me
Was it just a one night stand of joy
I believe were meant to be...
It was summer and I was free
Now my memories come back to me
All the boys were playing in the sun
There you were and you were having fun
[Chorus]
Oooh Antonio
You're my summer dream
Oooh Antonio
You're my summer dream
Friday night and it was disco time
I dressed up and I was feeling fine
All the girls were dancing to this song
There you were and you were having fun...
[Chorus]
Oooh Antonio,
You're my summer dream
Oooh, Antonio,
You're my summer dream...
And we drank and we swam and we laughed and we cried
and we all had a summer dream
And we drank and we swam and we laughed and we cried
and we all had a summer dream....
[Chorus+ fade to end]
