Dreams

Various Artists

Now here you go again, you say you want your freedom
Well who am I to keep you down?
It's only right that you should play the way you feel it
Well, listen carefully to the sound
Of the loneliness like a heartbeat drives you mad
And the stillness of remembering what you had
And what you lost, and what you had, and what you lostThunder only happens when it's raining
Players only love you when they're Playing
Say women, they will come and they will go
When the rain washes you clean, you'll know, you'll know
Now here I go again, I see the crystal visions
I keep my visions to myself
It's only me who wants to wrap around your dreams and
Have you any dreams you'd like to sow?
Dreams of loneliness like a heartbeat drives you mad
And the stillness of remembering what you had
And what you lost and what you had and what you lostThunder only happens when it's raining
Players only love you when they're playing
Say women, they will come and they will go
When the rain washes you clean you'll know
Oooh, thunder only happens when it's raining
Players only love you when they're playing
Say women, they will come and they will go
When the rain washes you clean you'll know
You'll know
And you will know
Oh, you'll know
You'll know
