

# Wavin' Flag (International Version)

## Young Artists For Haiti

When I get older  
I will be stronger  
They'll call me freedom  
Just like a wavin flagBorn from a throne

Older than Rome  
But violent prone  
Poor people zoneBut it's my home  
All I have knownWhere I got grown  
But now its goneOut of the darkness

In came the carnage

Threatening my very survivalFractured my streets

And broke all my dreamsNow Feels like defeat to wretched retreatSo we strugglin'Fighting to eatAnd we  
wonderin'If we'll be freeWe cannot wait for some faithful day  
It's too far away so right now I'll sayWhen I get older

I will be stronger  
They'll call me freedom  
Just like a waving flag

(And then it goes back x3)Aho aho ahoSo many wars settling scoresAll that we've been through

And now there is moreI hear them say love is the wayLove is the answer that's what they sayBut we're not just  
dreamers

Of broken down grieversOur hand will reach us  
And we will not see yaThis can't control us

No it can't hold us downWe gon pick it up even though we still strugglingAu nom de la survie (In the name of  
survival)And we wonderingBattant pour nos vies (Fighting for our lives)We patiently wait  
For some other dayThats too far away so right now I saySo we strugglin'Uh, well alright

How come when the media stops covering  
And there's a little help from the government  
We forget about the people still struggling  
And assume that its really all love again nahh

See we don't have to wait for things to break apart  
If you weren't involved before it's never too late to start  
You probably think that it's too far to even have to care  
Well take a look at where you live what if it happened there?  
You have to know the urge to make a change lies within

And we can be the reason that they see the flag rise againWhen I get older

I will be stronger  
They'll call me freedom

Just like a wavin' flagAnd then it goes backAnd then it goes backThen it goes backSo we strugglin'When I get  
older

When I get older  
I will be stronger  
Just like a waving flag
