

# Crawl (Carry Me Through)

## Superchick

How long will this take  
How much can I go through  
My heart, my soul aches  
I don't know what to do  
I bend but don't break  
And somehow I'll get through  
'cause I have you

[chorus]

And if I had to crawl  
Well you'd crawl too  
I stumble and I fall  
Carry me through  
The wonder of it all  
Is you see me through

Oh lord where are you  
Do not forget me here  
I cry in silence  
Can you not see my tears  
When all have left me  
And hope has disappeared  
You find me here

And when I have to crawl  
Well you'll crawl too  
I stumble and I fall  
Carry me through  
The wonder of it all  
Is you see me through

When everything I was is lost  
I have forgot but you have not  
When I am lost you have not lost me  
When everything I was is lost  
I have forgot but you have not  
When I am lost you have not lost me

[chorus]
