

Once in a Lifetime

Talking Heads

And you may find yourself
Living in a shotgun shack
And you may find yourself
In another part of the world
And you may find yourself
Behind the wheel of a large automobile
And you may find yourself in a beautiful house
With a beautiful wife
And you may ask yourself, well
How did I get here? Letting the days go by, let the water hold me down
Letting the days go by, water flowing underground
Into the blue again after the money's gone
Once in a lifetime, water flowing underground And you may ask yourself
How do I work this?
And you may ask yourself
Where is that large automobile?
And you may tell yourself
This is not my beautiful house!
And you may tell yourself
This is not my beautiful wife! Letting the days go by, let the water hold me down
Letting the days go by, water flowing underground
Into the blue again after the money's gone
Once in a lifetime, water flowing underground Same as it ever was
Same as it ever was
Same as it ever was
Same as it ever was
Same as it ever was
Same as it ever was
Same as it ever was
Same as it ever was
Same as it ever was
Water dissolving and water removing
There is water at the bottom of the ocean
Under the water, carry the water
Remove the water at the bottom of the ocean! Letting the days go by, let the water hold me down
Letting the days go by, water flowing underground
Into the blue again in the silent water
Under the rocks, and stones there is water underground Letting the days go by, let the water hold me down
Letting the days go by, water flowing underground
Into the blue again after the money's gone
Once in a lifetime, water flowing underground And you may ask yourself
