Back In My Arms (Once Again)

Hazell Dean

And the words of the song say everything
when I switch on the radioBecause it brings back all the memories
and it seems so long ago.Oh
but there's a rain outside on the window paneIs it cold inside your heart?
If I don't get back to you somehow
I know it's gonna tear me apart.Once again
let's give it another tryBecause I need you back in my arms and then
Once again
the love in my heart won't die
Even if you say good-bye
once again.And I think I see you everywhere
and sometimes I call your name.
And I feel the hurt inside of meI wonder do you feel the same?
Oh
but if we tuni our backs on a broken heart
And look each other in the eyeif our love has the strength to take us t
We only have to keep it alive.Once again
let's give it another try
...
Oh
but there's a rain outside on the window pane
. . .
Once again
let's give it another try
...
I said I need you
oh
I need your lovin'
yeahOh
back in your arms again.
Once again
let's give it another try
. . .
