

# Back In My Arms (Once Again)

Hazell Dean

And the words of the song say everything  
when I switch on the radio Because it brings back all the memories  
and it seems so long ago. Oh  
but there's a rain outside on the window pane Is it cold inside your heart?  
If I don't get back to you somehow  
I know it's gonna tear me apart. Once again  
let's give it another try Because I need you back in my arms and then  
Once again  
the love in my heart won't die  
Even if you say good-bye  
once again. And I think I see you everywhere  
and sometimes I call your name.  
And I feel the hurt inside of me I wonder do you feel the same?  
Oh  
but if we turn our backs on a broken heart  
And look each other in the eye if our love has the strength to take us to  
We only have to keep it alive. Once again  
let's give it another try  
...  
Oh  
but there's a rain outside on the window pane  
...  
Once again  
let's give it another try  
...  
I said I need you  
oh  
I need your lovin'  
yeah Oh  
back in your arms again.  
Once again  
let's give it another try  
...
