Kingdom Come

Godflesh

I'll give you space, as you chain me down
I won't let go, but you'll let me fall
I'll see your way, as you avoid mine
I'll give in, so you can walk on me
I'll close my eyes, so you can sew them shut
I'll keep the faith, or you'll crucify me
If I can believe, then you'll believe in me
