Good Girls

Velvet Empire

Come on come on good girls
Hey diggy diggy
Hey diggy diggy what diggy what diggy diggy
Hey diggy diggy what,
No no nooooo,I know I gotta good girl reputation,
You probably think that I'm in bed by ten,
But boy you haven't checked my information,
So maybe you should take a look again.And though I might, not club all night,
Not into e, hennessy, nasty guys,
But treat me right, and I just might,
Take my time blowin' your mind.
(goody good girls don't do dat.)[chorus:]
They don't touchy touch,
They don't make you lus', show you much,
Never mess around or get down.
(goody good girls don't do dat.)
They don't do or dare,
Touch you anywhere, kiss you there,
They don't shake their hips like this.
(goody good girls don't do dat.)I might be quiet in some situations,
And it might seem like I'm a bit too shy,
But there's another half to this equation,
You know there's more to me that meets the eye.And though I might, not club all night,
Not into e, hennessy, nasty guys,
But treat me right, and I just might,
Take my time blowin' your mind.
(goody good girls don't do that.)[chorus: (x2)]Good girls, good girls, good girls don't do that. [x4]
Hey diggy diggy
Hey diggy diggy what diggy what diggy diggy
Hey diggy diggy whatAnd though I might, not club all night,
Not into e, hennessy, nasty guys,
But treat me right, and I just might,
Take my time blowin' your mind.
(goody good girls don't do dat.)[chorus: (x2)]Hey diggy diggy
Hey diggy diggy what diggy what diggy diggy
Hey diggy diggy what [x2]
