

# When I Grow Up

## KIDZ BOP Kids

Boys call you crazy  
And you don't care what they say  
See every time you turn around  
They're screaming your name Now I've got a confession  
When I was young I wanted attention  
And I promised myself that I'd do anything  
Anything at all for them to notice me But I ain't complaining, we all wanna be famous  
So go ahead and say what you wanna say  
You don't know what it's like to be nameless  
Want them to know what your name is  
'Cause see when I was younger I would say When I grow up I wanna be famous  
I wanna be a star, I wanna be in movies  
When I grow up I wanna see the world  
Drive nice cars, I wanna have groupies When I grow up, be on TV  
People know me, be on magazines  
When I grow up, fresh and clean  
Number one chick when I step out on the scene Be careful what you wish for 'cause you just might get it  
You just might get it, you just might get it  
Be careful what you wish for 'cause you just might get it  
You just might get it, you just might get it, get it They used to tell me I was silly  
Until I popped up on the TV  
I always wanted to be a superstar  
Who knew that singing songs would get me this far? But I ain't complaining, we all wanna be famous  
So go ahead and say what you wanna say  
You don't know what it's like to be nameless  
Want them to know what your name is  
'Cause see when I was younger I would say When I grow up I wanna be famous  
I wanna be a star, I wanna be in movies  
When I grow up I wanna see the world  
Drive nice cars, I wanna have groupies When I grow up, be on TV  
People know me, be on magazines  
When I grow up, fresh and clean  
Number one chick when I step out on the scene Be careful what you wish for 'cause you just might get it  
You just might get it, you just might get it  
Be careful what you wish for 'cause you just might get it  
You just might get it, you just might get it, get it I see them staring at me, I'm a trendsetter  
Yes, this is true 'cause what I do no one can do it better  
You can talk about me 'cause I'm a hot topic  
I see you watching me, watching me and you know I got it When I grow up I wanna be famous

I wanna be a star, I wanna be in movies  
When I grow up I wanna see the world  
Drive nice cars, I wanna have groupies When I grow up, be on TV  
People know me, be on magazines  
When I grow up, fresh and clean  
Number one chick when I step out on the scene Be careful what you wish for 'cause you just might get it  
You just might get it, you just might get it  
Be careful what you wish for 'cause you just might get it  
You just might get it, you just might get it, get it
