No Time

Good Old War

There's no reason
to be spending all my money on you
when you don't even want to talkI just don't get it
I just don't get it
I want to be around, you know?
But you're making it too hard
I get no time with you honey
You're always busy
I give all of mine to you honey
but you're always busyI come home from work
and you haven't gotten out of bed yetYou just don't get it
You just don't get it
I want to be around, you know?
But you're making it too hard
I get no time with you honey
You're always busy
I give all of mine to you honey
but you're always busyI want to be around, you know?
But you're making it too hard
I get no time with you honey
You're always busy
I give all of mine to you honey
but you're watching TVI give all my time to you honey
All my time
I give all of mine to you honey
But you got no time for me
