

# After Hours

**Pam Tillis**

In the after hours  
Slowly shifting down  
Last call is over  
The sign is turned aroundThe chairs are on the tables  
The drinks are on the house  
The talk is on the level  
The truth is coming outLonesome hounds  
Hangin' 'round  
In the after hours  
Slowly shifting downMisery loves company  
No need to hurry home  
'Cause we're all in this together  
We are all in this aloneLonesome hounds  
Hangin' 'round  
In the after hours  
Slowly shifting down
